FOR IMMEDIATE RELEASE

June 13, 2017

The Judicial Discipline & Disability Commission is aware of allegations concerning Judge Bobby McCallister and issues surrounding his income taxes. An investigation was opened by the Executive Director in March and is pending. The JDDC has followed procedures under JDDC Rule 7 C(7) concerning informing appropriate agencies. The judge will have full due process rights as a thorough investigation is underway. To our knowledge the judge has not been charged with any violation at this time. The JDDC Investigation Panel is still obtaining all information that may be relevant to violations of the Code of Judicial Conduct. No additional public information is available at this time.
