April 1, 2008

Judge David Stewart  
Judicial Discipline Committee  
1060 Tower Building, 323 Center Street  
Little Rock, AR 72201

Dear Judge Stewart:

I hereby amend my previously submitted letter dated November 14, 2007 to reflect that I will not sit as a special judge for any circuit or district court or in any other official capacity. This amendment is due to the lack of clear understanding on my part and not placing said specific language in our original agreement.

By copy of this letter, I am notifying my attorney who will verify that this is my intent and understanding of the final resolution of this matter.

Cordially yours,

Thomas E. Brown

Governor Mike Beebe  
250 State Capitol  
Little Rock, AR 72201

Dear Governor Beebe:

This is to inform you that I will be retiring from the judicial bench January 31, 2008. I have been the Juvenile Court Judge in the Eleventh District West for the past seventeen years. I have worked long and hard striving for the best interests and benefits of the children who have come before me. I have finally worn down and believe it would be best for both my health and my personal interests to retire. I recognize that my normal term would expire at the end of 2008, but after discussions with family and friends, I think now is the best time to do this.

This notice should give you ample time to appoint someone for the remaining eleven months of my term. Whomever you desire to appoint to this position needs to have a great passion for the welfare of children, be patient, understanding and very adept at the many nuances of our Juvenile Code, especially in the matters of child abuse cases.

The past seventeen years of serving the residents and children of this Judicial District have been an honor and a privilege for me. I can think of few undertakings that bring such positive results. I hope that I have satisfied the needs of our citizens and children over the past seventeen years, as I will miss them greatly but recognize that now I must pursue my health and personal interests.

If you have any questions, you may contact me.

Cordially yours,

Thomas E. Brown
